No. DDMA/EKH/108/2019/ 196

Dated Shillong, the 30th May, 2025.

ADVISORY

In view of the incessant rainfall which is likely to continue in the subsequent days according to reports from the India Meteorological Department, it has been observed that the water levels of many rivers in the East Khasi Hills District are rising.

Residents particularly residing along River Banks and Hilly Slopes are advised to relocate to safer places until the rain has subsided.
