

No. DDMA/EKH/253/2023/142

Dated Shillong, the 5th May, 2025

ADVISORY FOR HEAVY RAINFALL, THUNDERSTORM AND LIGHTNING

1. Ensure safe keeping of all objects such as lumber piles, loose tin sheets, loose bricks, garbage cans, sign boards etc. which might be blown away in strong wind.
2. Switch off all electrical appliances like electric iron, mobile charger, television set etc. if the lightning persists.
3. People are required to take extra care during heavy rainfall as there is a likelihood of flash flood, especially in areas near the rivers and streams.
4. People are requested not to go near the waters or walk through moving water and stay away from streams, drains, culverts, rivers and waterfalls, etc. Currents can be deceptive and shallow, fast moving water can knock you off your feet.
5. Don't drive through flooded areas and stay away from electric poles or power lines to avoid electrocution.
6. Do not venture into streams, rivers and waterfalls.
