

**GOVERNMENT OF MEGHALAYA
DISTRICT DISASTER MANAGEMENT AUTHORITY
NORTH GARO HILLS DISTRICT: RESUBELPARA**

PRESS RELEASE

In view of the ongoing adverse weather conditions, the District Administration advise the people of the district to exercise caution and follow all official advisories as follows :

- Plan travel schedules carefully, keeping in mind the latest weather warnings, advisories , and updates issued by the Meghalaya Tourism Department and the Meteorological Department.
- Avoid unnecessary travel, especially in hilly or remote areas prone to landslides and flash floods.
- Stay indoors during thunderstorm and lightning. Unplug electrical appliances and avoid using mobile phones during lightning strikes.
- Restrict all outdoor recreational activities during inclement weather, especially in tourist hotspots and open areas.
- Ensure safe driving/riding practices due to reduced visibility, slippery roads, and potential traffic diversions. Signage and traffic management may need reinforcement in vulnerable zones.
- Strictly prohibit venturing into water bodies or waterlogged areas, including rivers, streams, or submerged paths.
- Instruct parents and guardians to closely monitor children and restrict their outdoor activities especially near water bodies, agricultural fields, forested regions, landslide-prone zones.
- Increase awareness about landslide risks-residents should be alerted to avoid areas showing signs of soil movement, falling stones, or minor landslips. Evacuation may be considered for high-risk zones.
- Remain vigilant around trees, electric poles, and other tall structures, particularly during heavy rainfall or lightning activity.

- Key measures taken by District Administration:

1. Activation of Emergency Helpline and Emergency Response Team:
