

Intensified Mission Indradhanush Programme 2019

Shillong, November 29, 2019: The Department of Health & Family Welfare, East Khasi Hills, will conduct the Intensified Mission Indradhanush Programme 2.0 in the District from 2nd-9th December, 2019. The goal of the programme is to provide immunization to children below 2 years of age and also for pregnant women. Parents are therefore requested to bring their children below 2 years of age who are due for immunization to the session sites in their respective locality for vaccination. Headmen, NGOs, Church leaders etc are also requested to join hands with the Department for the success of the programme to ensure that our children are fully immunized. For details, the nearest Health Centres, ASHAs, AWWs and ANMs may be contacted.
