

### PUBLIC ADVISORY

In view of the Weather Forecast & Warning from the India Meteorological Department (IMD) indicating Thunderstorm/Lightning with 30-40 kmph Gusty Wind and Heavy rain is likely on the 8<sup>th</sup> & 12<sup>th</sup> June, 2026, Thunderstorm/Lightning with 30-40 kmph Gusty Wind and Heavy to very heavy Rainfall is likely on the 9<sup>th</sup>, 10<sup>th</sup> & 11<sup>th</sup> June, 2026 at isolated places over West Jaintia Hills District, Public is hereby advised to adhere to the following advisories:

- Stay indoors during heavy rainfall and avoid travel unless absolute necessary.
- Stay inside a sturdy building or a hard-topped vehicle with the windows closed.
- Avoid small structures such as sheds, isolated trees and tents.
- Stay away from wired electronics and appliances including telephones (unless cordless or mobile)
- Unplug electronics.
- Stay away from electric poles, fallen power lines and damaged wires. Report them immediately to the electricity office (MePDCL).
- Strictly avoid venturing into flooded streets, rivers and culverts to prevent drowning and accidents.
- Do not walk, swim or drive through flooded areas.
- Avoid hilltop, landslide prone areas, open fields and areas near water.
- Stay away from tall objects such as trees, poles and towers.
- If caught outside with no shelter, crouch down with your feet together and hands over your ears. Do not lie flat on the ground.
- Do not be the tallest object in an open area.
- Avoid wide open spaces like fields, plains, hilltops, etc
- Stay away from windows and doors.
- Do not lean on concrete walls or floors.
- Use cordless or mobile phones instead.
- Avoid carrying metal objects or being in touch with them like umbrellas, bicycles, etc.
- Use raincoats if outside as much as possible instead of umbrellas having metal handles.
- Do not go outside until hail stops.
