

PRESS RELEASE

House Listing Operation for Census 2027 to begin in East Jaintia Hills District

Khliehriat, May 14, 2026: The Deputy Commissioner-cum-Principal Census Officer, East Jaintia Hills District in a press release issued has informed that the House Listing Operation (HLO) for Census 2027 will be conducted across the district from 16th May 2026 to 14th July 2026.

Also, the Self Enumeration process through the HLO App is open up to 12:00 mid night on 15th May 2026.

All Traditional Heads are requested to make announcements in advance in their respective villages pertaining to the House Listing Operation to make all households aware of the enumeration process in order to facilitate their cooperation with Enumerators/Supervisors while they are visiting their houses.

All households are advised to prepare in advance all the required information needed to be provided to the Enumerators during their visit.

Residents are advised to remain in their respective homes during the House Listing Operation in order to facilitate the completion of the process.

Residents who have completed Self Enumeration through the HLO App are advised to keep their Self Enumeration (SE) number, which they have received, ready for verification by the Enumerators.

Tenants who are from another village can select their own respective villages during the enumeration process and are advised to inform the Enumerators/Supervisors to avoid duplication in the enumeration process.

People are also advised not to spread rumours or have superstitious beliefs regarding Census 2027 and are further advised not to hide any information from the Enumerators because this could affect the government's development initiatives. Therefore, people are advised not to be afraid of providing authentic information to the Enumerators during the enumeration process.
