GOVERNMENT OF MEGHALAYA

PRESS RELEASE

Aadhaar Biometric Verification mandatory for LPG Refills in East Khasi Hills

Shillong, October 26, 2026: The Deputy Commissioner (Supply), East Khasi Hills has informed all domestic LPG consumers within the District that Biometric Aadhaar Authentication (BAA) has been made mandatory for domestic LPG consumers seeking refills at the regulated Retail Selling Price (RSP) with applicable subsidy, with effect from 1st October, 2026. Consumers who have already completed the BAA need not undertake the process again. Those who have not completed the authentication are required to do so, to continue LPG refills at the regulated price with applicable subsidy.

The authentication can be completed through the delivery personnel at the time of LPG delivery by using the respective Oil Marketing Company's (OMC) mobile application or by visiting the respective LPG distributor.

Authentication can also be completed through the OMC mobile applications - IndianOil ONE for Indane consumers, HelloBPCL for Bharat gas consumers and HP PAY for HP Gas consumers.

Consumers who are unwilling or unable to complete BAA may register their willingness through the respective OMC's digital channels to avail LPG refills at the applicable market-determined price, without any subsidy in 5 kg or 10 kg cylinders, subject to local availability.

Domestic LPG consumers who have not completed the BAA shall be blocked from availing further refills. Their connections may be reactivated upon successful completion of BAA.
