18.	Head of Department (HOD), Computer Science Department, North Eastern Hill University, Meghalaya, Shillong.	Member
19.	In-Charge Central Workshop (Police)	Member

The functions/objectives of the State Level Task Force (SLTF) will be as follows:

1. To assess technological solutions being currently adopted by different Agencies, Central Police Organizations/ CPOs and State Police Organizations on various issues and identify technological requirements.
2. To explore technology that would result in improving policing, develop applications to adopt technology for meeting the requirements, run pilot study to assess efficacy of the solution, and work with industry to develop and roll out the customised applications.
3. To study such solutions, identify overlapping efforts, standardize existing solutions and disseminate applications to other forces for similar use. It is imperative that technological solution is inter-operable.
4. To explore applications being used in other Government Departments and Institutions and adopt them for police organization. Conversely, applications devised for police could be shared with other users.
5. To focus on special requirements, such as requirements in mega cities, in insurgency-affected area, in the field of communication, security of vital installations, big data analytics, voice and facial recognition, training, forensics, etc.
6. To promote networking of Police Organizations with Educational and Industrial Bodies in order to utilize their expertise in devising technological solutions for policing.
