Press Release No.74/19

Clarification by CGMT, NE-I Telecom Circle, BSNL

Shillong, February 15th, 2019 : Apropos the news item published in some newspapers and electronic media regarding the closure of BSNL, Shri B. Chandra Sekhar, CGMT, NE-I Telecom Circle, BSNL has clarified that the news item is not true and called on the public not to pay attention to such rumours. He said that BSNL, being a government owned PSU, there is no proposal to close down the company.

The network of BSNL is very robust and has presence all over the country at very remote location also. BSNL is also providing vital infrastructure and services to the Defence Forces, Paramilitary Forces, PSUs and government organisation. BSNL is providing all services namely, Landline, Broadband, FTTH, Leased line, MPLS, mobile services, VSAT, Satellite phones etc. BSNL has already launched 4G service in different parts of the country with data speed better than other service providers. BSNL is going to launch 4G services in Meghalaya, Mizoram and Tripura very soon for its esteemed customers.
