BSNL improves network

Shillong, February 25th, 2019 : As per TRAI's report on drive tests released recently, Government's Telecom Company Bharat Sanchar Nigam Ltd (BSNL) has met KPIs in all 5 parameters in both 2G and 3G in three cities, which is best amongst its competitors. The performance of BSNL has been continuously improving as can be seen from the statistics of drive test done by TRAI during FY 2017-10 and current financial year. In FY 2017-18, TRAI conducted drive test in 46 cities and BSNL met the benchmark in all parameters in 22 cities which was similar to few other operators. However, during the current financial year, BSNL has emerged as the best performing operator by meeting all 5 KPIs benchmark in as many as 25 cities out of 49, where drive tests (around 20000KM) were conducted by TRAI, which is best amongst all other operators.

Subscribers have welcomed the improvement in network performance and attractive plans offered by porting to BSNL. BSNL is one of the two operators to show net addition of 5.56 lakh subscribers during December 2018 as per latest TRAI report. Recently BSNL has also offered EROS NOW PREMIUM subscription

free of cost with unlimited movies and exclusive videos series to its consumers of select STV/Plans of Rs. 78, Rs. 98, Rs. 298, Rs. 333 and Rs. 444.

Mr. Vivek Banzal, Director (CM), BSNL informed that BSNL is committed to offer excellent service at affordable price to its subscribers.
