New school building inaugurated

He also inaugurated the new building of the Adokgiri Secondary School, which has been funded by the Asian Development Bank's Supporting Human Capital Development.

Inaugurating the school building, the Chief Minister said that the government has been working with utmost priority to enhance the educational infrastructure across the State. He also said that the government is giving priority to upscale school infrastructure in LP and UP schools.

“There are many government schools, which have remained neglected for years. We have decided that in the next few years, we will invest in upscaling the school infrastructure. There are schools without roofs, without doors, without windows. If we have to priorities our education, we have to overhaul our education infrastructure. We have prepared a roadmap and have devised a strategy to achieve our targets,” he said, while adding that in the next three years close to 800 government schools will be renovared and the schools, which had remained neglected, will be given due attention.
