## **MESSAGE**

As we commemorate 151 Years of the Mahatma we acknowledge his great legacy that shaped the course of our nation in whose foundation he was actively involved. We honour his principles of Satyagraha that reflected his respect for every human being and most importantly, the truth. His humility shook the world and his courage was undaunted. He was a promoter of tolerance, and of bridging divisions and a true messenger of peace. The essence of his values, leadership, and service continues to be an inspiration for generations to come.

On the auspicious occasion of the 151<sup>st</sup> Gandhi Jayanti, I join the people of Meghalaya to pay homage to our Father of the Nation, honouring his great contributions for our country.
