

Press Release

Dated: 20.08.2020; Shillong

The Institute of Bioresources and Sustainable Development (DBT-IBSD), Shillong, Meghalaya, distributed the Institute made surface disinfectant to the Veterinary Department, Upper Shillong in the presence of Dr.A.K.N. Lamare, Assistant Director, Indo Danish Project, and his team, along with IBSD, Meghalaya Scientific Staff on 20-08-2020, for surface disinfection of cow shed areas and other milk processing unit at Upper Shillong.

The initiative of distribution was taken up under the guidance of the Director, IBSD, Prof. Pulkok K. Mukherjee with an aim to protect COVID-19 frontline workers.

It may be noted here that DBT-IBSD Centres in different parts of North East India are actively participating and serving the society during COVID-19 scenario through distribution of Institute handmade sanitizer, disinfectant and face mask. The Institute will continue its distribution to the city's numerous front-liners.
