

District Swachh Survekshan launched in Resubelpara

Resubelpara, 2 September 2019: Deputy Commissioner and Chairman Swachh Bharat Mission (Grameen), Sibhi C Sadhu launched the District Swachh Survekshan at Multi Facility Hall, Bakrapara, in Resubelpara on Monday. Swachh Survekshan is the cleanliness survey with a focus to achieve complete sanitation.

Sadhu pressed on the need of a clean surrounding which is a pre requisite for the overall development and requires a behavioural change on the part of all stakeholders towards proper waste disposal; reduce dependency on plastics, restoration and minimal damage to environment. He further added that the launching of Swachh Survekshan will indicate the level of improvement on sanitation in the district.

A D Sangma, E.E (PHE) & Member Secretary SBM (G) elaborated that the objective of Swachh Survekshan is for ranking of Districts across India on sanitation. The ranking will be done on the basis of quantitative and qualitative sanitation parameters such as self-assessment by the District, data of SBM (G) and IMIS. Twenty five villages from each district will be surveyed on sanitation by IPOS, Research Private Limited Delhi commencing from August 17 to September 17, 2019 and it will be a digital and paperless survey.
