

## PRESS RELEASE

### **Education Minister Distributed Work Orders, Flags Off Student and Waste Management Vehicles**

**Shillong, Feb 14:** Minister In-Charge of Education and Local MLA of Amlarem Constituency Lahkmen Rymbui on 14th February 2026, visited Kyrweng Village, where he handed over a vehicle dedicated to transporting students from Kyrweng to Muktapur. The initiative seeks to ensure that students have safe, secure, and regular access to education, particularly during the monsoon season when travel becomes difficult.

Addressing the gathering, Rymbui urged villagers not to misuse the vehicle and stressed that it must strictly serve its intended purpose. He also appealed to the Village Durbar to assume full responsibility for the vehicle's care and maintenance to ensure its long-term benefit for students.

On the occasion, the Minister distributed work orders amounting to ₹ 5 lakhs for the construction of additional classrooms at Kyrweng LP School. The project is expected to enhance the learning environment and accommodate the growing number of students. Additionally, ₹1 lakh was sanctioned for the construction of a school toilet, underscoring the importance of sanitation and public health.

Extending developmental support to Sankhat Village, Rymbui handed over work orders worth ₹ 5 lakhs for internal road construction. A further ₹ 2 lakhs was sanctioned for the construction of a boundary wall at RC Sankhat.

Later the same day, a Maruti Super Carry vehicle was handed over to Khonglah Village to support waste management and strengthen the cleanliness initiatives of the Durbar Shnong.

Highlighting that cleanliness is vital for overall development, the Minister expressed hope that the initiative would promote awareness and inspire the community to maintain a cleaner and healthier environment for future generations.
