Health and Anemia Camp Cum NCD Camp Held at Kynshi Bangla

Mairang, September 28: The Saindur Ia Ka Lawei CLF Multipurpose Society, in collaboration with Kynshi PHC, Eastern West Khasi Hills District, Today organised a Health and Anemia Camp cum-Non Communicable Diseases (NCD) Camp at Kynshi Bangla LP School in Kynshi Bangla village, Eastern West Khasi Hills District.

The camp was organised as part of an initiative to provide healthcare services to the local community, including medical consultations, medicines and treatment free of cost.

The camp witnessed the participation of the Constituency MDC, Shri Powell Sohkhet, along with a large number of local residents, including women, men, youths and children.

The participants availed themselves of the healthcare services provided during the camp and received detailed information and awareness on various aspects of health and well-being.
