

PRESS RELEASE

Chief Minister reviews progress of Meghalaya Houses across the country

Shillong | 21 July 2026: Chief Minister Shri Conrad K. Sangma today chaired a virtual review meeting with the Hon'ble Minister in-charge of the General Administration Department (GAD)

and senior officials of the Department to review the progress of ongoing and proposed infrastructure projects relating to Meghalaya Houses across the country.

The meeting comprehensively reviewed the status of ongoing construction and expansion works, the development of new and additional Meghalaya Houses, and the functioning of existing facilities. Discussions covered projects in Delhi, Noida, Mumbai, Bengaluru,

Vellore and Kolkata, with a focus on improving infrastructure, service delivery and operational efficiency.

The Chief Minister reviewed the progress of each project, examined timelines for implementation, and directed officials to ensure timely execution while maintaining high standards of quality. He also emphasised the need for effective planning so that the facilities adequately cater to the increasing requirements of Meghalaya residents travelling outside the State.

During the meeting, discussions also centred on strengthening the management and functioning of Meghalaya Houses to ensure better services for students, patients seeking medical treatment, government officials and other citizens. The Chief Minister stressed the importance of maintaining these establishments as welcoming and well-managed facilities that serve as a home away from home for the people of Meghalaya.

He further directed the Department to continue monitoring project implementation closely and expedite pending works so that the proposed infrastructure can be completed within the stipulated timelines.

The review reflects the Government's continued commitment to expanding and modernising Meghalaya House infrastructure across major cities, ensuring greater convenience, accessibility and support services for the people of the State whenever they travel outside Meghalaya.
