50 Years of Wangala Festival

Meghalaya Gears Up for a Historic Celebration of 1,000 Drums

The drums are calling: For fifty years, the 100 Drums Wangala Festival has brought the Garo community together to give thanks to Misi Saljong after the harvest. This year, for the Golden Jubilee, the field will echo with 1000 drums.

Join us for 50 Years of Wangala: Our Culture, Our Identity, 11 to 14 November 2026, at West Garo Hills.

Come for the dance, the music and the spirit of a people who have kept their tradition alive for half a century. Bring your family. Be part of history.

Funded and supported by Meghalaya Tourism.
