

PRESS RELEASE

Two-Day Workshop on Eco-Friendly Bamboo Craft Begins in Shillong

Shillong, March 24, 2026: The Department of Arts and Culture Meghalaya today commenced a two-day workshop on Eco-Friendly Bamboo Craft: Weaving and Carving Techniques at the Arts and Culture Hall in Shillong.

Organised by the Department of Arts and Culture Meghalaya and funded by the Ministry of Tribal Affairs, the workshop began today and will continue until March 25, 2026.

The objective of the workshop is to promote eco-friendly bamboo crafts, traditional weaving and carving techniques, and to encourage sustainable practices while preserving traditional skills and craftsmanship among artisans and participants. The workshop also aims to provide a platform for artisans to enhance their skills and promote bamboo-based sustainable livelihoods.
