GOVERNMENT OF MEGHALAYA

PRESS RELEASE

Meghalaya to Host Eastern India's First AI Job Fair, Opening New Pathways to Future-Ready Careers

Shillong, 12 November 2026: In a significant step towards preparing Meghalaya's workforce for the evolving employment landscape, the Government of Meghalaya, in collaboration with Shamrock AI, is set to organise **Eastern India's First AI Job Fair** on **17 November 2026** at the State Convention Centre (SCC), Shillong.

The initiative aims to bring together aspiring job seekers, industry representatives, technology leaders, educational institutions and other key stakeholders on a common platform to explore emerging career opportunities in the rapidly evolving field of Artificial Intelligence (AI).

The event will be graced by the Hon'ble Chief Minister of Meghalaya, **Shri Conrad K. Sangma**, as the Chief Guest, alongside the CEO and Founders of Shamrock AI, highlighting the importance of collaboration between the government and the technology sector in shaping the future of employment.

With **125 job openings in Shillong** and an anticipated participation of over **400+ candidates**, along with institutional heads, the AI Job Fair seeks to bridge the gap between industry requirements and available talent. It will provide aspiring professionals with an opportunity to engage with potential employers, explore career prospects and gain exposure to the growing demand for AI-related skills and expertise.

This initiative reflects Meghalaya's commitment to embracing technological advancements, strengthening its talent ecosystem and equipping its youth with the skills and opportunities required to thrive in an AI-driven economy.

By fostering stronger connections between talent, technology and industry, the AI Job Fair marks an important step towards building an AI-ready workforce and positioning Meghalaya as an emerging hub for future-oriented employment opportunities.
