On the occasion of Gandhi Jayanti, we remember Mahatma Gandhiji throughout his life, Gandhiji fearlessly fought for the right and dignity of people, to get rid of the age-old and deep-seated prejudice against the untouchable castes in the Indian society. He employed non-violent resistance to lead the successful campaign for the independence of India from the colonial rule. Therefore, he has been rightly called as “Father of the Nation”.

Wishing everyone a very Happy Gandhi Jayanti 2020
