

**OFFICE OF THE SUPERINTENDENT OF POLICE :: EAST KHASI HILLS
:: SHILLONG ::**

PRESS RELEASE

Dated, Shillong the 24th July, 2026.

This is for information of the general public that in view of the increasing instances of haphazard parking causing traffic congestion, obstruction of carriageways and inconvenience to road users, Shillong Traffic Police will be launching a Special Enforcement Drive under the banner **'OPERATION FREE FLOW'**.

To effectively implement this initiative, a dedicated **Shillong Traffic Enforcement Team (hereinafter referred to as STET)** has been constituted. The STET will conduct intensive enforcement against vehicles found parked in No Parking zones or in a manner that obstructs the free flow of traffic. The enforcement drive will be carried out strictly and impartially, except in cases involving genuine emergencies or medical exigencies.

The objective of **'OPERATION FREE FLOW'** is not merely an enforcement exercise but also to promote responsible parking behaviour, improve traffic discipline and ensure safer and more efficient roads for everyone.

Shillong Traffic Police (STP) urges all citizens to support this initiative by adhering to traffic rules and encouraging others to do the same. Responsible parking and disciplined road use are essential for reducing congestion and making Shillong roads safer while ensuring Free Flow.
